Odbiornik Jeti - REX 9 SLIM ASSIST [JDEX-RR9S-A]

Dostępność	Dostępny
Kod producenta	JDEX-RR9S-A
Kod EAN	20104904
Producent	JetiModel

Opis produktu

This type of receiver of the REX SLIM series with 9 servo outputs. The receivers are specially designed for planes with a very small fuselage. Their compact dimensions suit all pilots who are limited by space in the model (eg F3J, F5J, etc.). This type of receiver is in the version with JETI ASSIST stabilization support.

Specifications:

Dimensions [mm]60x16x13
TelemetryYes
Operational temperature [°C]-10 to 85
Compatible protocolsDUPLEX 2.4 GHz EX, EX Bus
Average Current [mA]85
Satellite receiver supportYes
Output Power [dBm]15
Receiver Sensitivity [dBm]-106
Assist stabilizationYes
Frequency2400 - 2483 MHz
Weight [g]13
Number of channels9
Antenna Length [mm]2x 200
Supply Voltage [V]3.5 - 8.4

Manufacturer's number: JDEX-RR9S-A
