Samolot P-40 Curtiss AVG Kitty Hawk (klasa 60 EP-GP) ARF - VQ-Models

Dostępność	Dostępny
Kod producenta	VQA022C AVG
Kod EAN	22020504
Producent	VQ-Models

Opis produktu

Curtiss P-40 (60-90 size - warbird category)

The **Curtiss P-40 Warhawk** was an American single-engined, single-seat, all-metal fighter and ground-attack aircraft that first flew in 1938.

The P-40 design was a modification of the previous Curtiss P-36 Hawk which reduced development time and enabled a rapid entry into production and operational service. The Warhawk was used by most Allied powers during World War II, and remained in frontline service until the end of the war. It was the third most-produced American fighter, after the P-51 and P-47; by November 1944, when production of the P-40 ceased, 13,738 had been built

Specifications:

- Wingspan: 1570mm
- Fuse Length: 1360mm
- Weight: 3.3 - 3.6 kg
- Glow Engine: .60 (2 stroke) / .90 (4 stroke)
- Electric Motor: Boost 60 - 800 watt
